Marla Hansen writes songs for herself and her viola. A quiet performer, she has been known to tame an entire noisy bar with a single song. She recently purchased a guitar in Berkeley, California, and though she does enjoy all those extra strings, she will never give up her viola and its lovely melancholy nature.

She performs throughout the New York area in solo shows or with guitarist Sebastian Krueger (Inlets, My Brightest Diamond) and bassist Nate Lithgow (My Brightest Diamond.)

Her debut EP, entitled *Wedding Day*, will be available on September 4th through Standard Recording. *Wedding Day* includes six original songs and features performances from **Sufjan Stevens, Sebastian Krueger, Nate Lithgow, Sam Bair, Shara Worden, Rob Moose, Maria Jeffers, Naho Tsutsui, and Katy Luo.**
